Many citizens have expressed interest in how water and sewer rates compare for Crescent City. The City completed a Water and Sewer Rate comparison with similar communities. Rates are based on 1000 cubic feet of water used, which is a standard for a single-family equivalency. All rates were confirmed in writing by each jurisdiction. Your monthly billed rates may vary based on usage. These rates do not include Special District Service Fees, such as those in Bertsch-Ocean View or Churchtree.
